

2025 Level III/Level IV RPA Review

*Combined Level III & IV review offered virtually (Oct) and in-person (Sept & Dec).
Virtual offered via Zoom. All in-person sessions are held at the TAAD office.*

Registrants should be familiar with the outline and should ensure they have up to date course materials for review. Daily sessions will be from 8:30 am– 5 pm. Students attending should be aware that this is a review session, not a primary instruction of materials. The instructor will cover basic methodologies, definitions, etc. as outlined in course materials, but will not “reteach” the course. Time will be provided for working on students’ areas of specific concern. An optional exam will help prepare registrants for the TDLR exam.
